

*Dear customer!*

*Our company offers you the installation of an access control system (automatic car numbers recognition system "Nomer OK") and an automatic barrier.*

*Equipment and installation work are provided free of charge. Control of the system is carried out remotely based on the "Client's" data. The subscription fee is charged once a month in the amount of UAH 4,500.*

*The subscription fee includes:*

- maintenance*
- if necessary, technical repair*
- remote control over this system and barrier*
- maintaining a database provided by the "Client"*

*The set of equipment includes:*

- barrier kit*
- router*
- two IP cameras*
- control unit (Access Control System)*
- auxiliary materials*
